RE: 2020 PCGQR Case Number 045\_SavannahCity\_PL4766720

Honorable Governor Lee:

Thank you for your submission to the 2020 Post-Census Group Quarters Review (PCGQR). This is the official determination letter regarding your submission.

We reviewed the documentation you provided in conjunction with the official 2020 Census records to resolve your question(s) and your submission was approved.

We will send the updated group quarters population to the Census Bureau's Population Estimates Program where they will be included in the baseline data used to produce upcoming annual population estimates. Updated data will be incorporated into the next population base that the production schedule allows.

The population estimates developed from the updated population base will also be used by the American Community Survey and the Puerto Rico Community Survey as survey controls so that the population totals from the survey conform to the updated population estimates. Please remember that these revised counts will not be incorporated into any 2020 Census data or data products such as apportionment or redistricting data.

If you have questions, please contact the 2020 PCGQR by phone at 1(844) 242-1765 or by email at [DCMD.2020.PCGQR.Submissions@census.gov](mailto:DCMD.2020.PCGQR.Submissions@census.gov). Please provide your 2020 PCGQR case number shown above in your communication.

Sincerely,

Deborah Stempowski  
Associate Director for  
Decennial Census Programs
